THINK YOUR WAY TO CANNES

School Of Thought returns to Leeds in 2024 for the 5th time. Some of the city's best agencies are taking part so it is an amazing opportunity for hungry creatives.

It's an intensive 12 week training programme for those who want to flex their creative muscles by learning how to develop and pitch big ideas.

Every Monday evening you will attend a briefing with a different Leeds agency via Zoom, hear a talk and leave with your brief. On Thursday you visit the agency to pitch your ideas.

In the end there will be one winner who will win a trip to Cannes Lions, a life changing prize worth thousands of pounds.

It's open to absolutely anyone who thinks they've got what it takes. You could be a recent grad, an experienced creative pro or a frustrated call centre operator.

There are only 12 places available and only the best make the cut.

FAQs

How much does it cost?

If accepted, the **course cost is £200**. It actually costs a lot more than that to run School Of Thought but our wonderful sponsor, **Propaganda**, help keep the cost low for you.

When does the programme run?

Every Monday and Thursday evening. Monday from 6.30pm to 7.30pm. Thursday from 6.30pm to 8.30pm. Each week will be hosted at a different leading agency in and around Leeds - Monday will take place on Zoom, Thursday you'll visit agencies in person.

What if I can't draw?

You don't need to. Your application and every week will be judged on your ideas, not polished layouts. It can look like absolute rubbish, as long it gets your idea across.

Who is School Of Thought for?

Absolutely anyone! We tend to see a lot of applications from copywriters, designers and art directors, but we get all sorts of people. School of Thought alumni include illustrators, filmmakers, content creators, social media managers, planners, strategists, account handlers. Take a look at the alumni page on the website.

I'm already working in the industry, is School of Thought for me?

Yes. 90% of our previous participants were already in the industry when they participated in School of Thought. If you're in the industry and want to accelerate and develop your skillset, School of Thought is for you.

What makes a good application?

Smart, clear, original thinking. The biggest tip we can offer is to keep it simple. So simple your mum would get it. In fact, pitching your ideas to your mum, grandma, partner or dentist for their opinion would be a good start!

Do I have to be based in the North?

No, you could be based anywhere as long as you can get to Leeds for most Thursday evening sessions.

I might not be available every week / have a holiday booked?

Everyone misses some Monday and Thursday sessions but its strongly advised you attend as many sessions as possible to get the most out of the programme. If you miss a Monday you'll be provided with the agency presentation and brief as usual. If you miss a Thursday you can submit a pre-recorded video of your idea or present at a future Thursday.

When will I find out if I have been accepted?

We will email you on Monday 8th April.

How is the final winner chosen?

Each week you will be given a brief to crack. At the end of the programme you will submit your idea from each week to be judged. The winner will be the person whose ideas most impress a panel of industry judges.
